## what is aVi Spa

aVi spa is a sanctuary of seclusion from daily life.

It is where stillness, simplicity and silence fuse into a contemplative space to create a refuge for elements of solitude to allow your body and mind to arrive at an optimum balance of aura and peace.

We are a place that restores emotional balance.

## aVi Spa philosophy

experience our healing philosophy through the serene environment and the selection of rejuvenating and soothing treatments.

Our approach is low tech-high touch. We believe in the healing nature of the human touch by our therapist combined with the highest quality products.
